## Course Outcomes

The Diploma of Christian Ministry (including the nested Certificate IV in Christian Ministry) provides appropriate training for candidates applying for employment positions or volunteer roles within the Assemblies of God in Australia or similar Christian denominations. Appropriate areas of ministry may include pastoral care, youth work, and children's work.

The approach to training of ministers within the Assemblies of God in Australia is generally informal and is predominantly based upon exposure to practical ministerial experience. As such there is no formal policy on the training prerequisites for candidates applying for ministerial credentials and/or employment within the Assemblies of God, however the following guidelines are recommended by the State Executive of the Assemblies of God in South Australia.

The Certificate IV in Christian Ministry is accepted as appropriate training for candidates applying for positions such as team members or assistant leaders. For example: assistant small group leaders, junior assistant pastoral roles, Youth and Children's workers.

The Diploma of Christian Ministry is accepted as appropriate training for candidates applying for positions as team leaders. For example: small group leaders, youth or children's leader/pastor, junior pastoral roles, assistant or associate pastoral roles.

# Practicalities

---

## A. Selection and Completion of Units

You may study units in any order and you can select any combination of units of 1 to 2 units at a time. Most units need to be completed and returned to the College within 10 weeks. Longer time is allowed for larger units and some of the units continue over a year. This is indicated in the study materials as appropriate.

If you are planning to complete the Certificate IV (or a substantial portion of it) it is recommended that you include *SRSCOP014B Prepare to study* in your first selection of units as this unit will help you with your study skills for all future units.

Similarly we recommend that units marked \* on the Off Campus Order Form are ordered early in your studies. Many of these units require gaining practical experience over a year period. Where they are electives it is only if you choose those units.

Units may be ordered using the Off Campus Order Form by posting to the college together with your payment for selected units or by ringing the College Office and paid for by credit card.

Where there is sufficient reason, extensions on the time allowable to complete any given unit will be considered by the College but you must contact and discuss this with us before an extension will be granted.

Upon completion of a unit you may keep the student notes but you must return the DVDs to the College as they remain the property of the College. Additional units may then be ordered. In order to ensure a consistent study load students studying at a full time rate are encouraged to order additional units a week or two prior to completing their existing units in order to overcome delays in postage.

## B. Full Time Study

Studying Off Campus allows you to study at your own pace. You may therefore choose to study at whatever load suits your purpose. If you wish to apply for Youth Allowance/Austudy or Abstudy you will however need to study at what is regarded as a *full-time* study load.

In order to maintain a full-time study load Off Campus you need to be undertaking 50 nominal hours worth of units during a month period or 75% thereof.

## C. Youth Allowance/Austudy/Abstudy

Youth Allowance, Austudy and Abstudy is available to those who enrol in full-time Off Campus study, subject to the successful lodgement of a claim with the appropriate authorities.

To apply for this assistance you will need a letter of acceptance from the College confirming that you are a full-time student with us. This will be sent to you upon your acceptance into the College.

## D. Unit Resources

Lecture notes and DVDs will be supplied for most units. Some lecture notes will be more detailed than others. In addition to the notes supplied you are encouraged to take your own notes as appropriate as you watch the DVDs. Where DVDs are not available or not applicable to the unit, sufficient written resources will be provided to undertake the unit. This will generally occur where the unit is based mostly or all on practical experiences and assessment.

## E. Textbooks

The College will supply you with loan photocopies of appropriate readings that the lecturer has felt are necessary in order for you to complete the course successfully.

## F. Library

We recognise that it may be difficult for you to use our library in Adelaide. This is offset to some extent by the photocopied resources that are supplied from time to time with the DVDs. Essential textbooks will also be posted to you on a loan basis where appropriate. Nevertheless, Off Campus students are invited to use the borrowing facilities of the Bill Hilbig Library if availability and distance permits. Books may also be borrowed and posted to you if you so desire. Please feel free to contact our librarian to discuss this option. A library fee of \$50 per year is applicable if you choose to utilise the library plus any associated postage costs. As an Off Campus student you are also encouraged to utilize suitable libraries in your local area. Your Pastor may be able to help with suggestions here.

## G. Church Attendance

The College has a strong policy of supporting the local churches of students and while you are enrolled with us we want you to maintain a close link to your own church. This should include regular attendance and involvement.

During the year the College staff may liaise with your local Pastor to keep them informed about your progress in College.

The College acknowledges the authority of your local church and will always endeavour to respect any requests made to us by your Pastor.

## H. Student Support

The College is committed to supporting you in your studies. Often a call to our office can clarify unit requirements so please do not hesitate to contact us. In addition to this, the College will make every effort to assist you with specific learning needs or difficulties. This may result in customising assessment processes or study programs to help you be successful in your study. Please contact the College if you have any specific learning needs with which we can assist you.

## I. Academic Results

You can view an unofficial academic transcript reflecting your academic results at any time on our Student Noticeboard at [www.pcom.com.au](http://www.pcom.com.au). Upon successful completion of your course you will receive a complete transcript of your academic results together with the appropriate certificate. If at any point during your studies you require an official record of your results a Statement of Attainment will be issued at a nominal cost. Please contact the College Office to request this.

## J. Graduation

To graduate with any award from PCOM, students must complete the course in terms of the following:

- Achieve competency in all unit learning outcomes/elements.
- Full payment of fees.

Students satisfying these criteria will be awarded the appropriate certificate together with a Transcript detailing all results achieved. Upon successful completion of your course we will contact your local church and encourage your Pastor to present your certificate before the congregation at a mutually convenient time.

## K. Termination of Tuition

The College reserves the right to terminate tuition for the following reasons:

- Financial default.
- Inappropriate behaviour for ministerial trainees as deemed by the Assemblies of God in Australia.
- Continued failure to meet course requirements.

# Fees

---

## A. Course Fees

Individual unit fees and postage costs are indicated on the appropriate order forms. The total course fee for the Certificate IV in Christian Ministry and Diploma of Christian Ministry is \$3,000 to \$3,600 per full-time year depending on elective units chosen. Please note that this figure does not include postage and handling.

## B. Application Fee

Students who are able to arrange their own collection and return of DVDs do not incur the postage and handling fee.

## D. Payment of Fees

Off Campus Students are required to pay course fees prior to the commencement of each unit. Alternatively, you may contact the College to discuss a payment plan using our periodic electronic funds transfer system.

## E. Protection of Fees

## D. Withdrawal

The College respects student's rights to withdraw from the courses for any reason but ask that they notify the College of their decision.

## E. Refund of Fees

The College agrees to refund the appropriate fees paid in advance if a student decides to withdraw from a unit or the course for any reason or if the College terminates studies. The refund will include the fees paid for units that have not been completed but does not include postage fees. Please contact the College to discuss this if the situation arises.

A Church which hosts a group of 4 or more students on a part-time or full-time basis will receive 15% of the student fees (i.e. 4 or more students undertaking the same unit at the same time).

Please contact our College office for a copy of our Off Campus Group Information booklet for further details about how your church can host an Off Campus group.

# Course Assessment

---

There are a variety of ways in which units are assessed. A unit will be assessed by one or a combination of written assignments, examinations and/or practical demonstration of competence. You will be notified at the beginning of each unit how that unit is to be assessed.

All written assessments must be presented according to the *College Assignment Style Guide*. This guide is available on our Student Noticeboard at [www.pcom.com.au](http://www.pcom.com.au).

To ensure that correct procedures are followed for exams you will need to have a supervisor, who will oversight your exams. Exam supervisors need no special qualifications other than being an independent person who is nominated by your pastor to be present when you are undertaking an exam. It may in fact be your pastor if they are willing.

Exams will be forwarded directly to the supervisor at the time that your unit is forwarded to you. They will hold the papers until you are ready to sit for the exam. After you have completed the exams they will return the papers directly to the College on your behalf.

## A. General Guidelines

Each PCOM unit is built upon a series of learning outcomes/elements and accordingly the assessments are made against these learning outcomes/elements. The competency of a learning outcome/element is determined against the benchmark of the assessment criteria of each learning outcome/element.

Competency will be awarded according to the following scale:

|                     |   |
|---------------------|---|
| CA with Distinction | Exceptionally high standard of competency |
| CA with Merit       | Above average standard of competency      |
| CA                  | Acceptable standard of competency         |
| NYC                 | Not Yet Competent                         |

A “Competency Achieved” (CA) is awarded for a unit where competence is achieved for all learning outcomes/elements. Where competence is not achieved for all learning outcomes/elements a “Not Yet Competent” (NYC) will be awarded.

Merit and Distinction awards will be allocated at a learning outcome/element level and unit level where cumulative assessment results indicate skills and knowledge at a level significantly beyond the required competency standard.

Workplace assessment is associated with the ministry placement components of the course. For ministry placement each student is to be allocated an appropriate supervisor who will monitor the student’s progress and report on this progress to the College ministry placement coordinator. The final assessment of the student is to be made by the College ministry placement coordinator in conjunction with the supervisor. Competence is determined for these on-the-job units by allocating a result of “CA” (Competency Achieved) or “NYC” (Not Yet Competent) for each learning outcome/element within the unit.

## B. Re Submission of Work

Where a student has not achieved competency through an assessment, opportunity will be provided for further practice and reassessment. Students are invited to discuss the specific requirements for reassessment with the College. Reassessment will only involve the learning outcomes/elements for which they have not achieved competence.

The reassessment of work must be undertaken by a new due date as agreed by the College.

This initial reassessment will incur no fee however additional reassessments will incur a \$15 fee per assessment.

## C. Access and Equity Issues in Assessment

If you feel that you have some special learning needs you are invited to discuss these with the College staff. In this way the College may be able to adjust its delivery or assessment approaches to assist you with your learning needs.

## D. Assessment Appeals

Paradise College of Ministries believes that it is necessary and appropriate for students to be given every opportunity to appeal if they feel that the assessment process has been unfair or if they have felt disadvantaged in any way. Please contact the College office to discuss your assessment.

# Student Rights

---

## A. Access to Records

Students have the right to see their student records and files at any time.

## B. Access and Equity Policy

Paradise College of Ministries aims to uphold requirements of the Equal Opportunity Act of 1984 as it applies to religious training institutions and as such we ask you to familiarize yourself with our Access and Equity Policy in Appendix B (p.18).

The College recognises that students have individual learning needs and that some students will require specific assistance in order to study successfully. This may particularly be the case with students with a range of disabilities or learning difficulties. The College will make every effort to assist students with particular learning needs and invites you to discuss your personal learning needs with the College staff.

## C. Student Grievance Policy

Paradise College of Ministries is committed to the welfare of our students and therefore will treat all student grievances with fairness and impartiality. As such the College encourages communication between students and staff on all areas of student welfare and course requirements.

If grievances remain unresolved after discussion with College staff the student has recall to the College Board. Grievances presented to the College Board must be presented in writing.

Where appropriate the student will be presented with a written statement of the appeal outcome, including reasons for the decision.

Finally grievances that remain unresolved may be directed to the following office.

Department of Further Education, Employment, Science & Technology

---

Students who have completed accredited units at other recognized institutions may apply for Credit Transfer for units that are comparable to those offered at Paradise College of Ministries.

Where a student has completed studies at a recognized institution they will need to provide an academic record plus outlines of units previously studied.

When students, through experience and/or previous studies of non-accredited courses, consider that they meet specific unit requirements they may apply for credit with Paradise College of Ministries through our Recognition of Prior Learning or Assessment Only process. The RPL process will require evidence of competency to accompany the application.

There are two levels of credit that can be granted. Full credit meaning the student is exempt from further study for that unit. Partial credit meaning the student will be required to complete some further requirement in that unit.

If you feel you would like to apply for Credit Transfer or Recognition of Prior Learning or Assessment Only please contact our office for further information.

# Enrolment Procedure

---

1. Complete the Application Form in the College Prospectus or download it from our website. [www.pcom.com.au](http://www.pcom.com.au)

Please remember to:

- Indicate clearly the course you want to enrol in and study load.
- Include your personal testimony as indicated on the back of the Application Form.
- Arrange with your Pastor for a suitable Exam Supervisor and include their details on the application form.
- Have your Pastor sign the Pastoral endorsement.

2. Select your first unit from the Off Campus Order Form.

You may study units in any order and you can select any combination of units of 1 to 2 units at a time. Most units need to be completed and returned to the College within 10 weeks. Longer time is allowed for larger units and some of the units continue over a year. This is indicated in the study materials as appropriate.

If you are planning to complete the Certificate IV (or a substantial portion of it) it is recommended that you include SRSCOP014B Prepare to study in your first selection of units as this unit will help you with your study skills for all future units.

Similarly we recommend that units marked \* on the Off Campus Order Form are ordered early in your studies. Many of these units require gaining practical experience over a year period. Where they are electives it is only if you choose those units.
